

<u>Project Type</u>	<u>Nongame Project Idea</u>
Habitat	GIS Mapping of Terrestrial Ecosystems in Southeast Alaska
Habitat	Nearshore Habitat Mapping in Southeast Alaska
Habitat	Evaluating Declining Yellow-Cedar Forests for Wildlife Habitat for Nongame Species
Habitat	Natural Communities Important to Nongame Species in Alaska
Habitat	Statewide Habitat Map for Alaska
Invertebrate	Identification of Freshwater Mussels of Southeast Alaska
Invertebrate	Development of a Survey Strategy for Southeast Cave Invertebrates
Invertebrate	Surveys of the Forgotten World of Gastropods, Millipedes, and Earthworms in Alaska
Invertebrate	Using Photographic Identification to Assess Distribution/Abundance of Banana Slugs
Invertebrate	Linking Terrestrial Invertebrate Community Composition and Ecosystem Processes
Invertebrate	Butterfly Inventory and Monitoring Through a Citizen Science-Based Volunteer Program
Invertebrate	The Alaska Dragonfly Survey and Education Project
Invertebrate	Land Snail Diversity in Alaska
Amphibian	Survey of Western Toad Breeding Ponds in Southeast Alaska
Amphibian	Quantifying the Extent of Possible Declines, and Trends of Pond-Breeding Anurans
Amphibian	Amphibian Monitoring in Southeast Alaska
Amphibian	Inventory of Western Toad on Montague Island
Amphibian	Involving Students in Urban Wildlife Inventories: Wood Frogs
Amphibian	Characteristics of Wood Frog Egg Deposition Sites in Anchorage, Alaska
Amphibian	Wood Frog Baseline Investigations
Amphibian	Habitat Utilization of Western Toads in Post-glacial Landscapes (Gustavus)
Amphibian	Inventory and Phylogeography of the Amphibian Fauna of Southeast and Southcentral
Amphibian	Long-term Monitoring of Western Toad Populations of Flooded Gravel Pits in Gustavus
Amphibian	Conservation Genetics of the Declining Western Toad in Alaska
Amphibian	Genetic and Demographic Characteristics of the Wood Frog in Alaska
Bat	Distribution and Habitat Use of Keen's Myotis
Bat	Search for Keen's Long-Eared Myotis/re-survey of White Sulphur Hot Springs
Bat	Juneau Bat Detection Project
Bat	Distribution of Bats in Southeast Alaska, with Emphasis on Keen's Long-Eared Bat
Bat	Acoustic Monitoring of Southeast Alaska Bats
Bat	Seasonal Bat Use Related to Cave Temperature, Humidity, Elevation and Morphology
Bat	Conservation of Southeast Alaska Bats
Bat	Refining the Known Summer Distribution of the Little Brown Bat in Southcentral Alaska
Bat	Migration and Summer Roosting Behavior of Little Brown Bat in the Fairbanks Area
Bat	Stable Isotope Analysis of Bat Populations in Southeast Alaska
Bird	Distribution, Abundance and Ecology of Band-tailed Pigeons in Southeast Alaska
Bird	Evaluating Perceived Declines in Swallow Populations in Southeast Alaska
Bird	Conservation Status of Rufous Hummingbirds in Southeast Alaska
Bird	Surveys of Cavity Nesters and Other Forest Birds in Southeast Alaska
Bird	Distribution and Abundance of Prince of Wales Spruce Grouse
Bird	Distribution, Abundance, and Ecology of Cavity-Dependent Species in Southeast Alaska
Bird	Distribution and Ecology of Swifts in Southeast Alaska
Bird	Distribution, Ecology, and Abundance of Owls in Southeast Alaska
Bird	Avian Mortality at Communication Towers in Southeast Alaska
Bird	Contaminants in Bald Eagles in Southeast Alaska
Bird	Merlin Distribution and Habitat use in Southeast Alaska
Bird	Population Viability Analysis for Northern Goshawks in Southeast Alaska
Bird	Effects of Spruce Needle Aphid Control Programs on Birds
Bird	Bird Habitat Use and Body Condition in Edge and Successional Habitats of Gustavus
Bird	Distribution and Seasonal Habitat Use of American Dippers in the Juneau Area
Bird	Population Monitoring of Wintering Loons in Southeast Alaska

Bird	Marbled Murrelet Mortality from Drift Gillnets in Southeast Alaska
Bird	Decadal Trend and Seasonal Pattern of Murrelet Abundance and Distribution
Bird	Modeling Abundance and Distribution of Kittlitz's Murrelets in Southeast Alaska
Bird	Habitat Use of Kittlitz's Murrelets in Tracy and Endicott Arms, Southeast Alaska
Bird	Spatial and Temporal Variation of Kittlitz's Murrelets in Yakutat Bay
Bird	Monitoring Marbled Murrelet Populations near Juneau
Bird	Effect of Local and Large-scale Landscape Attributes on Murrelet Habitat Use
Bird	European Starling Reduction and/or Control in Southcentral Alaska
Bird	Effects of Urbanization and Habitat Fragmentation on Breeding Bird Populations
Bird	Avian Use of Spruce Forests Impacted by Spruce Bark Beetle in Kachemak Bay
Bird	Effects of Intentional Feeding of Wild Bald Eagles in the Kachemak Bay Area
Bird	Assessing Tower Related Bird Strike Hazards
Bird	Population Trend, Abundance, Distribution of Kittlitz's Murrelets in Prince William Sound
Bird	Northern Bristol Bay Seabird Survey
Bird	Decadal Population Trends of Kittlitz's and Marbled Murrelets in Kachemak Bay
Bird	Rednecked Grebes in Southcentral Alaska: Inventory and Citizen Science
Bird	Range Expansion and Habitat Vulnerability of Trumpeter Swans on the Kenai
Bird	Monitoring Shorebird Use on Barrier Island Beaches of the Copper River Delta, Alaska
Bird	Conservation Concerns for Rock Sandpipers in Upper Cook Inlet
Bird	Use of Spring Staging Areas to Monitor Populations of Surfbirds and Black Turnstones
Bird	Inventory of Shorebirds Using State Lands on the Alaska Peninsula
Bird	Individual Recognition and Monitoring Survival of Northern Fulmars
Bird	Connors Lake Loon Cam
Bird	Satellite Tracking of Northern Fulmars Exposed to Long-Line Fishing Mortality in Alaska
Bird	Vulnerability of Black Oystercatchers to Human Disturbance in Prince William Sound
Bird	Using Telomere Lengths to Estimate Population Age Structure in Long-Lived Birds
Bird	Ecology of Boreal Owls in Interior Alaska
Bird	Golden Eagles in Alaska Range
Bird	Owl Monitoring Protocol Development
Bird	Verifying Status of the Eskimo Curlew in Alaska
Bird	Raptor Productivity Along the Lower Yukon River
Bird	Nest Survivorship of Tundra-Nesting Birds on the North Slope of Alaska
Bird	Nesting Ecology of Pacific Golden Plovers
Bird	Shorebird Abundance, Nest Density Patterns, and Nest Predators of the NPR-A
Bird	Shorebird Migration Stopover Sites in Southcentral and Southeastern Alaska
Bird	Abundance, Distribution, Habitat use, and Ecology of Black Oystercatchers
Bird	Persistent Organic Pollutants in Storm-Petrels from St. Lazaria and Buldir Islands
Bird	State Bird Collection Development Through Specimen Salvage
Bird	ADF&G participation in the Alaska Landbird Monitoring System
Bird	Evaluating the Alaska Migration Monitoring Program
Bird	Alaska Raptor Nest Box Network
Bird	Gyr Falcon Ecology and Monitoring
Bird	Genetic Estimates of Effective Population Sizes on Nongame Birds
Bird	Important Bird Areas of Alaska
Bird	Alaskan Shorebird Database
Bird	Factors Affecting Abundance, Distribution, and Production of Trumpeter Swans
Bird	Distribution and Abundance of Seabirds Relative to Oceanographic
Bird	Breeding Biology of the Arctic Warbler
Bird	Developing Survey Methods for Monitoring Boreal-Nesting Shorebirds
Bird	Monitoring Alaska's Large Shorebirds
Bird	International All-Bird Conservation Plan for the Northwestern Interior Region
Bird	Regional and International Monitoring of Shorebirds: Arctic and Subarctic Monitoring

Bird, Mammal	Inventory of Nongame Species in the Subalpine and Alpine Zones of Southeast Alaska
Bird, Mammal	An Inventory of the Birds and Mammals of St. Lawrence Island
Fish	Development of a Habitat Suitability Model for Threespine Sticklebacks in Cook Inlet
Fish, Mammal	Use of Marine Derived Nutrients by Aquatic and Terrestrial Predators/Scavengers
Mammal	Tongass Cryptograms: Biodiversity, Inventory, and Molecular Phylogenetics
Mammal	Small Mammals on Small Islands
Mammal	Threats to Endemic Northern Flying Squirrel
Mammal	Influence of Daily Photoperiod on Development of Terrestrial Animal Communities
Mammal	Conserving the Montague Island Marmot
Mammal	Small Mammal Survey of the Kenai Peninsula
Mammal	Pribilof Shrew: Pribilof Islands Stewardship Program
Mammal	Montague Island Marmot Survey
Mammal	Avian Habitat Preservation Through the Prevention of Rat Infestations from Shipwrecks
Mammal	Small Mammal Microhabitat Evaluation and Relative Species Abundance
Mammal	Flying Squirrel Habitat Use in Interior Alaska
Mammal	Contamination at Red Dog Mine
Mammal	Land Mammals of Conservation Concern in Alaska
Mammal	Endemism in Alaskan Land Mammals
Mammal	Distribution and Molecular Phylogeography of Collared Pika
Mammal	Distribution and Molecular Phylogeography of Alaskan Marmot
Marine Mammal	Distribution and Abundance of Marine Mammals on Proposed Routes of Fast Ferries
Marine Mammal	Remote Camera at Round Island Walrus Island State Game Sanctuary
Marine Mammal	Investigations of Impacts to Cook Inlet Beluga Whales in Cook Inlet
Marine Mammal	AT1 Orca Research
Marine Mammal	Cooperative Acoustic Monitoring of Pacific Right Whales
Marine Mammal	Bering Sea Ecosystem Community Based Monitoring: a Pilot Project
Marine Mammal	Monitoring Mortality in Alaskan Sea Otter Populations
Terrestrial Vertebrates	Vertebrate Biodiversity Survey of Southcentral and Aleutians
Terrestrial Vertebrates	Minto Flats State Game Refuge Inventory
